## EXPERIENCE

### WEB DEVELOPMENT • STALLION GROUP SECURITY • JANUARY 2024 -- PRESENT

Created an online presence for the company by establishing a website to better market company's business. Grasped understanding of the client's business to promote its services and company background throughout the website. Using latest technology, developed a user-friendly and responsive interface which highlights appealing visuals with credible content. In addition, included client communication by offering contact forum to allow company to engage with clients that brings professionalism to the company.

### SERVICE DESK ANALYST • MICROSERVE • DECEMBER 2022 -- SEPTEMBER 2023

Worked as a service agent for multiple clientele. Supported specialized applications while maintaining and developing internal software tools by reporting and processing automation. Also, conducted application testing by engaging users for acceptance testing, then collected and summarized test data, all while multitasking by troubleshooting user issues between live calls and service ticket requests.

### SALES REPRESENTATIVE • CLUB 16 • AUGUST 2018 -- DECEMBER 2022

Managed the client experience, delivered excellence in customer service by selling memberships and meeting monthly quotes. Identified prospective customers by using business directories, following leads from existing clients and creating personal leads by connecting with the community. Completed daily outbound calls. Researched and learned sales and health knowledge of the fitness industry to understand the market better.
